2023 ABOG Qualifying Exam

Application and Examination Fee Deadlines

Exam will be administered on July 24, 2023

Surgical Skills Program Options

ABOG accepts Fundamentals of Laparoscopy Surgery (FLS) or Essentials in Minimally Invasive Gynecology (EMIGS)

Candidates unable to complete either FLS or EMIGS prior to the 2023 Qualifying Examination may take the exam

Residency graduates who pass the QE will be required to document completion of either program to become Active Candidates for CE

Program Managers can see who is or is not FLS or EMIGS certified on their portal

Senior residents submit their FLS or EMIGS certificate using the task that is available on their ABOG portal when they apply for the QE

Specialty Qualifying Exam (QE) Eligibility

Complete 48 months of GME in an ACGME accredited OB GYN residency program by September 30

Complete no fewer than 60 months in an OB GYN program accredited by the Council of Royal College of Physicians and Surgeons of Canada by September 30

Complete 48 months of an AOA-accredited program that achieves ACGME initial accreditation before their graduation date

Previous Training Credit Request

Non-OB GYN ACGME Accredited Program	Non-ACGME accredited OB GYN program (i.e., osteopathic program not accredited by ACGME)
PD submits the following to ABOG:	PD submits the following to ABOG:
<ul style="list-style-type: none">• Requests for approval for a specific time not to exceed 6 months	<ul style="list-style-type: none">• Block diagram(s) and completion of training documentation
<ul style="list-style-type: none">• Submitted prior to start of PGY-4	<ul style="list-style-type: none">• Letter of Assessments from original program and current program
<ul style="list-style-type: none">• Up to 6 months of credit may be granted	<ul style="list-style-type: none">• Request credit for X number of months / years of previous training

My Dashboard

ACTIVE MANAGER

Welcome to your ABOG Portal.

For relevant information about **Residency Program Management**, click here.

Welcome

Wondering what **Residents** see in their new portal view? Click here.

Resident's View

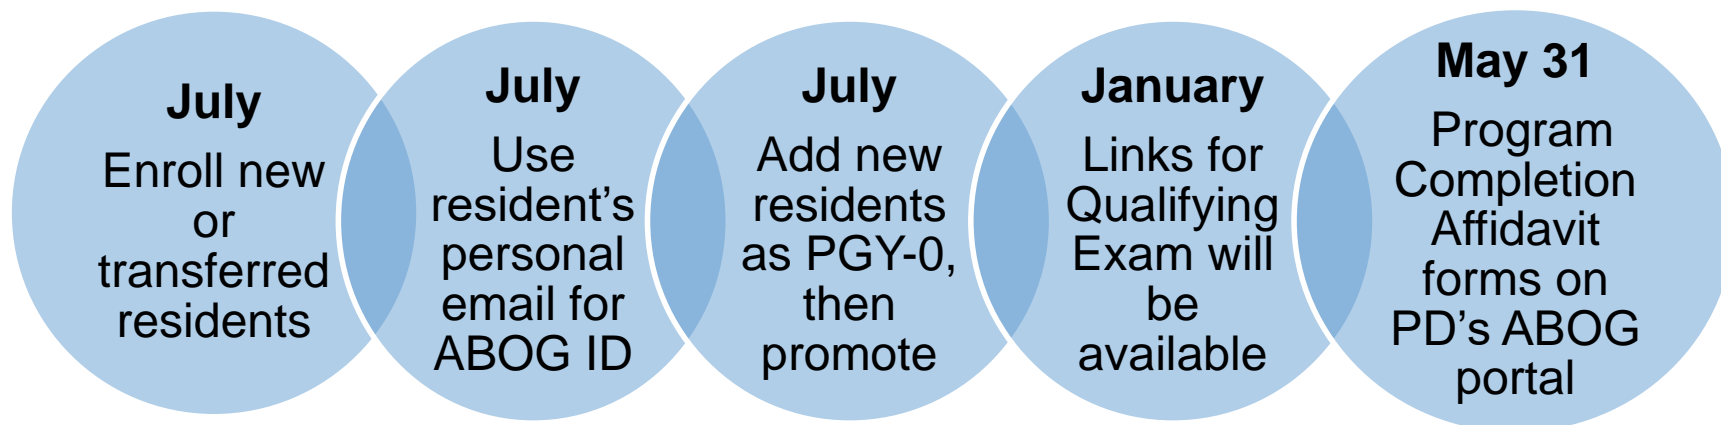

Administrative Tasks View ALL Tasks

[▶ Add/Maintain Residents](#) by 12/31/2022 Pending

Responsibilities of the Residency Program Manager

- Enters resident information for ABOG ID or adds transfer resident to program (with existing ABOG ID).
- If a resident transfers or withdraws from your program, update residency dates and provide ABOG with documentation of the residency training and credit received for completed months.
- Maintains start / end dates (or transfer dates)
- **Add new / transfer residents** before promoting current residents
- The Advance Residents Task becomes available in July. Once task is complete page shows complete.
- Communicates Exam deadlines to residents, but...it is the **RESPONSIBILITY OF THE RESIDENT** (not the manager) to meet the Qualifying (Written) Examination deadlines and fees

ABOG Timeline for Program Managers

What Can You Do?

Residents who transferred into your program must obtain information from their other program(s) for the Qualifying Exam application process.

Remind PD to complete and submit Training Affidavit. Admin Task on PDs ABOG portal. No form, no results

Residents who have name changes should submit their name change using the Name Change Form found on our website under About ABOG/Contact Us.

ID presented to enter Pearson VUE must match their ABOG Candidate name

ABOG relies on Program Managers to enter resident information to obtain ABOG IDs and maintain resident roster.

ABOG communicates directly with residents on QE exam and FLS/EMIGS information. For residents who need accommodations for QE, refer to Appendix B of the Bulletin.

Residents who trained at multiple residency programs will need to contact ABOG when they transfer programs to assure that confirmation of training is completed from the prior program.

Contact Exam Department for your ABOG ID and password 214-871-1619 or exams@abog.org

If Program Director or Program Manager changes, email exams@abog.org. Include ABOG Program ID#. Add preferred email contact information for Program Director. ACGME must approve PD change.

ABOG Program Director's Report

Program Director's Report

2022 Specialty Qualifying Examination

- Summary of residency program performance (reside in My Files)
- Aggregated data about your graduates' performance compared with all ACGME-accredited program graduates that took the exam in the same year

Resident Responsibilities

- Know and meet deadlines and fees for ABOG Specialty Qualifying Examination
- Review the ABOG ID information (legal name, email address, etc.) entered by the manager
- Read the Qualifying Exam Test Agreement and other ABOG Policies
- Select Pearson VUE testing center and adhere to Pearson VUE policies for the Qualifying Exam

Resident Responsibilities

- If resident transferred from one training program to another, log in to the ABOG portal and verify months of training is accurate.
- Do not wait until the deadline to apply in case time is needed for verification of previous training.
- Should the resident need lactation accommodations at the Pearson VUE Testing Center - sign up early. The number of available rooms is site dependent.

- ABOG thanks YOU for your time to enter and maintain resident data.
- Visit Booth #204 in the Exhibit Hall during the CREOG / APGO Meeting.

Feedback Form

*Have a suggestion or feedback for ABOG?
Submit your comments here!*

- Contact ABOG should you have any questions regarding site access, or exam processes, or FLS / EMIGS requirements – exams@abog.org or call 214-871-1619.
